INTERVIEW BY EMMA EDWARDS

ALEKTRA BLUE

Since your split for Wicked Pictures back in February 2013, what projects have you been working on?

After I left Wicked, I was offered an exclusive performing contract with Brazzers. The contract lasted for three months. I've also been working on some photography projects ,too.

Since your inception into porn, had you always been a contract performer?

I can't believe I began porn in 2005. It seems like such a long time ago. When I first joined porn, I was an independent performer for about eight months. Then I stopped performing and got my boobs. When I came back, I got an exclusive contract with Zero Tolerance/Third Degree, as a spokesmodel and performer. I was only doing boy/girl with my former husband at that time, Pat Myne. When I decide to start working with other guys, Wicked told me that they were interested in signing me. I signed with them soon thereafter and was a Wicked contract star for about four years. Now, I'm out of that contract, it feels like having to start all over again.

Are you hoping to sign a new contract with a company, or are you happy being a free agent?

Well, nobody has come up to me to offer a contract deal. My pussy works well. My asshole works well. My mouth works well. I am ready to go!

If your performing career has slowed down a bit, have you thought about directing movies instead?

Yes, it would be very cool to direct all types of different movies. It would be fun to dabble in domination. I like hard sex, so creating more gonzo type products would be fantastic.

Has there been a particular scene or movie that has made a significant difference in your career?

I can't pinpoint one particular movie that made a significant difference, although I've been fortunate to be cast in several great projects, many times as the lead actress. I've also been nominated for several movies, which has been cool.

Is there a possible project on the horizon that you are excited about?

Yes, Axel Braun is holding a casting call for 24, a new parody project that he is working on for Axel Braun Productions and Wicked Pictures. Actually, it will be the first time I'm going back to Wicked since the split. That will be interesting. I'm excited to read for him. I hope I do well enough to get the part. I need to start watching old episodes of 24 to familiarize myself with the characters and the feel of the series.

Have you ever worked with Axel Braun before?

No, I haven't worked with him yet. I've heard great things about him and his projects are very cool. Hopefully, I do a good reading for him and get more work with him as a result.

One of the projects that we felt you shined in was your comedic role in The Rocki Whore Picture Show: A Hardcore Parody. Was that a good experience for you?

Having sex on film takes a certain amount of skill, although acting in a film, and making it good and believable, takes a completely different type of talent. I loved playing that role. In fact, I don't think I got enough recognition for that role. But, thanks for your compliment. I feel that role was one of the most underrated roles of my career.

Well, Alektra, it is quite rare for adult performers to be good actors. The notion of poor porn acting is a clichéd notion for a reason. Luckily, you don't fall into that category.

Maybe that too will help me get more work. I can fuck and I can act. (laughing)

What types of movies do you prefer working in– Features of Gonzos?

I like performing in both. I love acting and fucking. Learning lines is fun and easy for me. Since most Wicked movies are scripted, I got it down. I was able to remember and deliver my lines well, even if I only had the script for a few days. I've mastered the science of line reading.

Are there particular directors that you connect with very well?

I worked well with all of the Wicked Pictures directors, especially Jonathan Morgan. We always worked so well together and put out some great projects that I am really proud of. I also recently worked with Chris Streams again for Jules Jordan Video. He is amazing to work with. He puts out a great product and really allows me to be dirty without restricting my sexuality. I also enjoy working with Brando at Brazzers. I'm hoping to add onto that list in the near future.

I fucking love blowjobs. People under-estimate the beauty and visual possibilities of a blow-job. Blowjobs can be done so artistically. I want to bring blowjobs back to the forefront

Which performers are able to pull the dirty girl out of you?

James Deen, Manuel Ferrara, Erik Everhard, Johnny Sins—you know, the usual suspects. I get all the good dick guys. It's awesome! That is one thing that makes me happy, I get to work with solid, top performers.

Are you picky when it comes to performers you will work with?

I'm very picky when it comes to guys. I rarely try out new guys, but do on occasion. I like to guarantee the product. I want to like the person I am performing with. I want the company hiring me to get their money's worth. If I am not attracted to the person, the scene may not be as good. Nobody wants that. I want to knock it out of the park every time I come up to bat.

Are there any performers that you would love to work with but haven't yet?

I've never worked with Bonnie Rotten. She and I are friends, and I would love to. It wouldn't matter if there were a guy in the scene or not. In fact, I might just want Bonnie all to myself. I also want to work with Jesse Jane again. The last time I worked with her was in 2006. We are way overdue. I've also never worked with Alexis Texas. There are several I'd love to work with.

What would you enjoy working on?

I've been holding out on putting out a new website. I'm still putting it all together. I have a team of people working with me to create this new and fresh idea. The project is going to be really sharp, cutting edge, artsy and mainstream. Basically, I want to use porn stars in a Vogue style of way. I want girls that can pull off the avante garde fashion look. It's going to look great, be sexually suggestive and awesome. Eventually, I want this artsy concept to transform into sexy solos and artistic looking blowjobs.

Speaking of blowjobs, are they one of your favorite sexual acts to perform?
I fucking love blowjobs. People under-estimate the beauty and visual possibilities of a blow-job. Blowjobs can be done so artistically. I want to bring blowjobs back to the forefront. I did a lot of blow bangs when I first started in the industry and I'd like to bring them back again.

So then, what is the Alektra Blue method of sucking cock?
My technique would be equal amounts of spit, suction and hand movement, all at the same time. I like to keep things wet and in motion. I also enjoy balls and never neglect them. I lick balls, make out with balls, kiss balls, and squeeze balls. I'm kind of crazy about balls.

What about your sexual style while performing as Alektra Blue?
Wild. Crazy. I do whatever comes naturally. I let loose and let my sexual freak flag fly. If I get tears during my blowjob, it's a good fucking day. I couldn't do that when I worked at Wicked. I'm not a vanilla girl or a vanilla performer. I'm back to banging like I used to bang. I'm no longer restricted. I used to hear things like, 'Don't say cunt or don't say whore.' But, the thing is, I like being called that. Now I can say, 'Fuck me like the dirty whore I am!'

How would you describe your personal sexual style, off set?
I'm boring and lazy at home. I love being on my back. I don't want to do any of the work. I just want my guy to make me cum. Since I have to get into all sorts of crazy positions at work,I just want to lie on my back or on my stomach when I am at home. I'm really good at taking it. That's what I'm good at. No need to fix it, if it's not broke. I just want to take it when I'm off camera. I just want you to give me that dick!

It's great. It feels so freeing!

Do you prefer vaginal or anal sex?
I love them both. On camera, I prefer hard anal sex and at home I prefer hard vaginal sex. I have to equal out my hole usage. (Laughs)
I have to give my little asshole and my little pussy hole a break every now and again.

On The SET Of

BY ROB PEREZ ALL IMAGES COURTESY OF MORALLY CORRUPT

HAZE HER SORORITY SLUTS GONE WILD!

33808

Before dropping your daughter off at college this fall, you first may want to consider this: She's all alone at her new school and wants to meet new people in order to make new friends. For many nubile college coeds often the best way is to join a sorority. You know, a sisterhood whose main goal is helping others, whether through charity work, or, sometimes, building the occasional parade float. But before the "apple of your eye" can gain admission to this exclusive and often secret society, she first must endure what is commonly called Hell Week—seven days of pure mayhem so intense nine out of 10 "pledges" often don't survive it. And in Morally Corrupt's Sorority Girls Gone Wild classic Haze Her these pledges will literally be put through the proverbial sexual ringer, made to do things they never thought they'd do, as the initiated members put them through the paces, ensuring that all pledges ultimately pay with their bodies. Talk about fucking mind games, these pilgrims endure lesbian hazing at its finest and HIGH SOCIETY is happy to provide you with a front-row seat to all the carnal chaos as these precious princesses experience the kinky, twisted, and wanton world of their sex-obsessed sorority sisters!

Morally Corrupt presents Haze Her, a series dedicated to bringing you "real" videos sent in by "real" sororities, each detailing the comprehensive hazing process for all of their new, doe-eyed pledges. As Morally Corrupt likes to say, "This [series] shows you the sexy side of the hazing process!" And, boy, are they fuckin' right! So if you've ever wondered what actually goes on behind the scenes during sorority pledge week, just watch Haze Her. Honestly, you won't believe your eyes!

So just remember when the time comes and your daughter packs her bags, loads up the car, and drives off for her new life as a college coed. The next time you see your "little princess" she'll be a new woman—thanks in large part to her helpful and horny new sorority sisters!

Parody Language: Not to be taken seriously.
